West Mobile County Park Announces spring 2014 Sporting Programs

Everything old is new again, especially if you're an adult and can recall playing countless hours of kickball on the playground. Well, your chance to relive your glory days is here. The West Mobile County Park will launch its spring 2014 Kickball Program on March 10.

"This sport does not require a lot of outstanding athletic talent, it's great for exercise, meeting new friends, being active and having lots of fun," said Terri Mosley, Park Operation Coordinator for West Mobile County Park. She added "Once you play you will absolutely love playing."

The park is currently allowing teams to register. The squad can consist of a total of 10 players on the field and up to 20 players on the roster and anyone age 16 or older is welcome to play. Team fees are \$370.

Softball leagues for men, ladies, co-ed and church teams will also be offered in the spring. Softball fees for adult leagues range from \$185 to \$360. The league play begins in mid-March.

Players for both sports will have the luxury of playing on lighted fields. Other amenities at the park include picnic tables, a small playground, restrooms and concession areas.

To register your team for kickball or softball, call (251) 574-7275.
